

# EuroNanoForum 2019

12-14 June 2019, Palace of the Parliament  
Bucharest, Romania

## SAVE the DATE!

The future of nanotechnologies and  
advanced materials for  
the new EU Research & Innovation  
framework programme, Horizon Europe (2021-2027)

romania2019.eu  
Romanian Presidency of the Council of the European Union

*An event of the Romanian  
Presidency of the Council of the  
European Union*

Organised and financed by

Ministry of Research and  
Innovation (MCI)

Co-financed by

*This project has received funding  
from the European Union's  
Horizon 2020 Research and  
Innovation Programme under  
Grant Agreement No. 847673*

## EuroNanoForum 2019

- Europe's largest networking conference focusing on **nanotechnologies and advanced materials science, innovation and business**
- Open to **the scientific community, representatives from industry, research and innovation, and policy makers**
- Offers excellent opportunities to debate on cutting edge research and successful industrial implementations in the field

### WHAT TO EXPECT:

**CONFERENCE:** lively plenaries and breakout sessions including panel and participatory discussions

**EXHIBITION** devoted to companies, EU projects, European Technology Platforms

**NETWORKING EVENTS** offering a unique occasion to strengthen existing contacts, exchange new project ideas, consortia building: **Brokerage event; Interactive Workshops; Poster sessions**

**VISITS** to research facilities

More info will be available at [www.euronanoforum2019.eu](http://www.euronanoforum2019.eu)

**Organiser:**

**National Institute for R&D in Microtechnologies - IMT Bucharest**  
[www.imt.ro](http://www.imt.ro)
