E-News No. 3, 13 May 2019

In less than one month, we will be pleased to welcome you in **EuroNanoForum 2019**, the most significant European conference offering opportunities to debate on industrial application of research results and future strategic research priorities in the area of **Nanotechnology and Advanced Materials of the Horizon 2020 NMBP Programme and beyond**.

The 9th edition of the conference will take place from **12-14 June, 2019** in **Bucharest, Romania**, at the Palace of Parliament.

Check-out the preliminary list of confirmed speakers!

We are pleased to announce that **EuroNanoForum 2019 will bring together in the conference sessions over 90 speakers** from industry, scientific community, European Clusters and Technology platforms and stakeholders.

They will debate on topics related to advanced materials and nanotechnologies for energy, healthcare, safe by design & open innovation testbeds, nano for EU re-industrialisation, nano and multiscale modelling and characterisation, instruments for nanomaterials application.

Confirmed speakers for plenaries (until May 13, 2019):

WELCOME plenary - The EuroNanoForum 2019 conference will be officially opened by the representatives from the European Commission and Romanian Government.

PLENARIES *(speakers in alphabetical order):*

- **Eike ANKLAM**, Director of the Joint Research Centre JRC-Geel site and Director of JRC Directorate F: Health, Consumers & Reference Material, European Commission
- **Peter DROELL**, Director, Industrial Technologies, DG Research & Innovation at European Commission
- **Adrian M. IONESCU**, Professor at Ecole Polytechnique Fédérale de Lausanne (EPFL), Switzerland
- **Konrad Franz KASCHEK**, former plant manager of the BOSCH Cluj-Napoca factory, Romania
- **Rodrigo MARTINS**, President of European Academy of Sciences - EurASc, Professor at New University of Lisbon, Portugal
- **Nicola MARZARI**, Director National Centre for Competence in Research NCCR MARVEL, Ecole Polytechnique Fédérale de Lausanne (EPFL), Switzerland
- **Lars MONTELIUS**, Director General of the International Iberian Nanotechnology Laboratory, Portugal
- **Poul Georg MOSES**, Director Electrochemical solutions at Haldor Topsoe

Visit the [conference website](#) to see the list of speakers in [PARALLEL SESSIONS](#) and check out our weekly-growing list!

WORKSHOPS

On Day 3 of the conference, EuroNanoForum 2019 will host a selection of several workshops. Find more information on the [Workshops on the conference website](#).

Take the unique opportunity to generate new contacts and joint projects - attend the [BROKERAGE EVENT!](#)

Why to join the 1:1 networking at EuroNanoForum 2019?

- Find & meet potential partners for your next H2020 project

- Initiate R&D collaboration beyond H2020
- Discover and share views with experts and colleagues from your business field
- Initiate cross-border contacts and co-operations

Book a stand package in the Industrial and Research Exhibition!

Don't miss the opportunity to expand your pool of contacts, highlight your services and innovations and enhance the visibility among top leaders in nanotechnologies!

The Exhibition will run during all 3 days of the event, delivering a comprehensive image of the nanotechnology and advanced materials potential for various European industrial sectors.

Horizon 2020 projects in NMBP area are invited to showcase their results, concepts and demos, highlighting their potential impact on industry and society and share their success stories at the exhibition. **The best project will be awarded!**

REGISTRATION AND ACCREDITATION!

REGISTER NOW to attend EuroNanoForum 2019!

In addition to the online registration, **ACCREDITATION is MANDATORY** for every person who intend to participate at the events during the period of Romanian Presidency of the Council of the European Union. Please prepare a copy of your ID, a photo (format: *.jpg/*.jpeg, 3 Mpix minimum, 3 MB maximum) and the expected details of your travel.

N.B. Accreditation procedures will close on June 02, 2019!

EuroNanoForum 2019 is an event of the Romanian Presidency of the Council of the European Union, supported by the Directorate-General for Research and Innovation of the European Commission and the Romanian Ministry of Research and Innovation and organised by the National Institute for Research and Development in Microtechnologies – IMT Bucharest.

Please forward this newsletter to your colleagues, collaborators, students, etc. interested to attend the event.

If you have any further questions, please contact info@euronanoforum2019.eu.

Looking forward to meeting you all in EuroNanoForum 2019!

EuroNanoForum 2019 Organising Committee
