**EuroNanoForum 2019**  
12-14 June 2019, Bucharest, Romania

**Nanotechnology and Advanced Materials Progress under Horizon2020 and beyond**

*Almost there- what's next?*

<https://www.euronanoforum2019.eu/>

E-News No. 4, 27 May 2019

**There is still time to join us in Bucharest for over 15 exciting sessions.  
Only 3 weeks before the EuroNanoForum 2019 kicks off!**

**Dear Colleague,**

Since 2003, **EuroNanoForum** has strengthened its position among the prestigious international annual events dedicated to nanotechnology and advanced materials.

The 9<sup>th</sup> Edition of the conference is an event of the Romanian Presidency of the Council of the European Union, taking place from 12-14 June, 2019 in Bucharest, Romania, at the Palace of Parliament.

You are encouraged to join EuroNanoForum2019 and discuss your R&D&I efforts with key Academia, Research and Industry players in the field and advance towards new innovative concepts and collaboration opportunities.

**Registration is still open for the conference participants!**

**[REGISTER TODAY & ACCREDITATE](#)**

**Please, don't forget that you have to accreditate.** It is mandatory for event venue!

**The accreditation procedures will close on June 02, 2019.**

**Group Discount!**

Invite your colleagues and register as a group. We offer group discounts to institutions/companies that register 3 or more employees. Please contact us by [email](#) to confirm the details and get a Group Code.

**Program Overview and Time Schedule**

DAY 1 - JUNE 12, 2019				DAY 2 - JUNE 13, 2019			
10:00 - 10:30	Welcome			09:30 - 11:30	2 <sup>nd</sup> Plenary: Boosting innovation for EU industry: the role of nanotechnologies		
10:30 - 12:30	1 <sup>st</sup> Plenary: Almost there - what's next?			11:30 - 12:00	Coffee Break, Exhibition, Networking, Posters		
12:30 - 14:00	Lunch, Exhibition, Networking, Posters				<b>PILLAR 4 - NANO for EU RE-INDUSTRIALISATION</b>	<b>PILLAR 5 - Instruments for nanomaterials know-how</b>	<b>PILLAR 6 - Instruments for nanomaterials application</b>
14:00 - 15:30	<b>PILLAR 1 - NANO for ENERGY</b>	<b>PILLAR 2 - NANO for PEOPLE</b>	<b>PILLAR 3 - POLICY for NANO</b>	12:00 - 13:30	4.1 Nano enabling technologies modernizing industry	5.1 Nano and Multiscale modelling for a wide range of applications	6.1 Nano from lab to fab: upscaling
15:30-17:00	1.1 Nanotechnologies and Advanced Materials for a Carbon-neutral Society by 2050	2.1 Advanced materials and nanotechnologies for healthcare	3.1 Safe by Design & Open Innovation Testbeds	13:30 - 14:30	Lunch, Exhibition, Networking, Posters		
17:00 - 17:30	1.2 Advanced Materials and Nanotechnologies for Harnessing Solar Energy	2.2 Nano-medicine and medical technologies	3.2 Governance & Standardisation	14:30 - 16:00	4.2 Nano Biomaterials and nanomembranes	5.2 Nano and multiscale characterisation for a wide range of applications	6.2 Nano from fab to market
17:30 - 18:30	Coffee Break, Exhibition, Networking, Posters			16:00-16:30	Coffee Break, Exhibition, Networking, Posters		
18:30 - 19:00	1.3 Energy enabling nanotechnologies for circular sustainable growth	2.3 Nanotechnology for society	3.3 Open Science and Industry Commons	16:30 - 17:30	3 <sup>rd</sup> Plenary: The Challenges for a Better Europe		
19:00 - 21:00	Welcome Cocktail			17:30 - 18:00	Poster presentation, Networking, Exhibition		
14:00-16:00	NMP Talent Capacity Building Training			19:00 - 21:00	Dinner		

**ENF 2019 Invited speakers**

More than 85 high-level speakers already confirmed their presence, while more invited speakers will be announced soon!

Check the [Programme](#) and [Speakers page](#).

**7 New Special Workshops and Matchmaking/Brokerage Event** will take place on June 14, 2019, during EuroNanoForum 2019

DAY 3 - JUNE 14, 2019			
09:00 - 11:00	<b>Workshop - Boosting Innovation Tour</b> <i>(organiser: European Commission, IMT Bucharest)</i>	<b>Workshop - Nanosafety for the future: governance and sustainability</b> <i>(organiser: NanoSafety Cluster)</i>	<b>Workshop - Nanotechnology and Advanced Materials in H2020 and Horizon Europe (H-EU): Strategic planning, governance, and public engagement</b> <i>(organiser: EUMAT)</i>
11:00 - 11:30	Coffee break, exhibition, networking		
11:30 - 13:30	<b>Workshop - RO infrastructure session (combined with above)</b> <i>(organiser: European Commission, IMT Bucharest)</i>	<b>Workshop organised by the European Materials Characterisation Council - session 1</b>	Workshop organised by EMIRI, with the support of esela <b>Shaping the Future R&amp;I Programme Framework on Advanced Materials for Energy Transition and Mobility</b> How to impact the upcoming co-construction discussions on the strategic planning of Horizon Europe? Why and how to be involved in R&I EU-funded projects?
13:00 - 15:00	Lunch break, exhibition, networking		
14:00 - 16:00		<b>Workshop organised by the European Materials Characterisation Council - session 2</b>	<b>Workshop -Additive Manufacturing: industry necessities and research solutions;</b> <i>(organiser: National Institute for Lasers, Plasma and Radiation Physics, Romania)</i>

Check out all the ENF19 Workshops [here](#).

**Brokerage - Register and create synergistic connections. You can find more information [here](#)!**

**Stay tuned! More to be announced soon!**

**Exhibition Opportunities - See the confirmed [exhibitors profiles](#)!**

Horizon 2020 projects in NMBP are invited to showcase their results, concepts and demos at EuroNanoForum 2019.

**Spectaculos venues for conference and social events are expecting you!**

Plenary hall

Parallel Session hall

Welcome cocktail

Gala dinner

**Accommodation Options. About Bucharest and Romania**

**Benefit from the Special Offers regarding Accommodation!**

Check out the special accommodation rates for the EuroNanoForum 2019 participants [here](#).

Meet Bucharest, an exciting city, which is the host of EuroNanoForum 2019 and find out various ways to spend your free time during your visit!

**Read the latest news!**

EuroNanoForum 2019 is the most significant European forum that brings together scientists, industrialists and policy makers.

Yet, there is so much more for you to discover:

**Exciting networking opportunities**

Once registered, you enter the guest list for two very special events, especially designed for networking,

---

exchanging ideas and opinions with other participants from all over the world, in an enjoyable atmosphere.

### A special “Welcome to Romania!”

As the first day of conference comes to an end, on June 12<sup>th</sup>, we will be pleased to welcome you in the *Majestic Receptions Hall* of the Palace of the Parliament for an enjoyable cocktail. Join us to meet amazing professionals as you are and make the most out of your participation!

### A Memorable Gala Dinner

On June 13<sup>th</sup>, the elegant [Ghica Palace Ballroom](#), an exquisite space telling the story of Romania's capital city, will open its doors for all the guests of EuroNanoForum 2019, to celebrate together innovation and creativity. The evening will be sprinkled with beautiful moments, for your enchantment and unforgettable memories!

*Please forward this newsletter to your colleagues, collaborators, students, etc. interested to attend the event.*

If you have any further questions, please contact [info@euronanoforum2019.eu](mailto:info@euronanoforum2019.eu).

Looking forward to meeting you all in EuroNanoForum 2019!

EuroNanoForum 2019 Organising Committee
