## EURONANOFORUM 2019

E-News No. 1, 1 April 2019

On behalf of the Organising Committee of **EuroNanoForum 2019 - Nanotechnology and Advanced Materials Progress under Horizon 2020 and Beyond**, it is our pleasure to invite you to participate at the 9<sup>th</sup> edition of the conference, an event of the Romanian Presidency of the Council of the European Union.

EuroNanoForum 2019 will take place from **12-14 June, 2019** in **Bucharest, Romania**, at the Palace of Parliament.

Over the past 8 editions, the conference strengthened its position as the main European forum and networking event that brings together the scientific community, industry and policy makers involved in the areas of nanotechnologies and advanced materials.

Don't miss this opportunity and register now to attend **three days of conference** featuring lively plenaries and breakout sessions including panel and participatory discussions, **interactive workshops, networking, exhibition, visits to research facilities, social events!**

**Registration for EuroNanoForum 2019 is NOW OPEN!**

**Call for poster abstracts. Deadline – April 19, 2019**

Become part of EuroNanoForum 2019 exciting programme by submitting your abstract for poster presentations on topics relevant to the nanotechnologies and

---

---

advanced materials areas!

### **Abstract Submission is now OPEN!**

In order to submit your poster abstract (200 words), you must be a registered user first. Please register and submit an abstract via [the online registration form](#) (Poster section).

**Abstract Submission Deadline:** April 19, 2019

**Notification of Acceptance:** April 29, 2019

**The Best poster** presented at the conference, as well as **the Best student poster** will be awarded.

### **Attend the Industrial and Research Exhibition!**

Exhibit your company, products, European projects and raise your visibility, network with leading players in nanotechnologies and find new partners/ customers!

**Horizon 2020 projects in NMBP area** are invited to showcase their results, concepts and demos, highlighting their potential impact on industry and society and share their success stories at the exhibition. The best project will be awarded!

*Please forward this newsletter to your colleagues, collaborators, students, etc. interested to attend the event.*

If you have any further questions, please contact [info@euronanoforum2019.eu](mailto:info@euronanoforum2019.eu).

Looking forward to meeting you in Bucharest!  
EuroNanoForum 2019 Organising Committee
